^ your a fucking retard. When tax cuts go across the board everyone is equal. It goes by percent. If you have more you get more. And you think people living off welfare work? Hell a lot of people with money made money because they worked. Rich people pay the same percentage wise as everyone else. Percentages are always fair. I don't get why you fucktards do not understand that. \$10 to you or me is like \$1,000,000 to Bill Gates. Why? Because he has 90 billion. He has more therefore he gets more. What dumbass.
