MadtoneLol, all you have to do is write the application in PHP.
]

Great! you are a moron! You can't read either! I said in the post if you want it I'll give to you! But ofcourse I forgot EVERYONE in here is just natually fucked in the head and has to start some type of bullshit as usual!

Damn I thought I had made it perfectly clear: YOU DON'T HAVE TO USE THIS PROGRAM! If you want it I'll give it to you, that is all.

God damn....
