Renardin6As a member of Reborn team, I think that this smilies is funny :

But this one is better : rofl...

I can do stuff like that too

( I don't care about what you think about that, It won't affect my life... rofl )

If you make parodies off my smilie, make it look good ffs. The text is way to big, and brown looks horrible. Since 'Ack' is a much shorter word, it does not make sense for it to be ontop of the word, it should be over to the side.
