ok assholes, like superfly siad i have posted so many times and coame back to find another post, you people are so immature i would love it if you would get over it! you are just pissed off because you cant point the finger at someone.

and gmm im not blaming someone else because there is no blame to place idiot, i am simply telling the truth. probably a shock to a conservative like you however. not to mention the fact that it is a cold day in hell when i even think about considering you as my "king" i think you ARE the pathetic child when it comes to that one

oh superfly, you forgot to mention that bush passed the flight test by about two points and was sent way ahead of countless people so that he could have what he wanted. Then he went AWOL

oh by the way if you think pimp boy and i talk the same, you obviously have not read any of his or my posts bcause i do not need countless profanities in my post to make a point, and i have never once mentioned sucking someones balls. if you are saying i have similar sentence structure you are insanea . . . youd probably get along really well with ol' georgie in the white house
