jorge the man

But, if you look at the tax cuts, those only went to the rich....Tax breaks also helped people who were already wealthy enough to go to private schools.

I am not rich (Believe it or not but firefighters do not make a lot of money) and I noticed extra money in my pocket from the tax cuts. When he gave the tax credit I got over \$600. And for the first time in 10 years I got a tax return. So don't give me this bullshit that tax cuts went to the rich.
