As for contradictions, do you know what the difference is between a moron, and an imbecile? Do you know what the difference between a moron and an idiot? Do you know the difference when

stop care. And who cares about modding this game. I went as far to make a skin, but thats about it, I didn't see any real value in modding for this game.

Well if you don't like this game, wy are you even here.

I never said I didn't like the game.
