dead4ayear2[sgthe0ne]dead4ayear2I could give you a link to every single little image used in TD and TS... but since you were suck an ass and told me to "STFU" in that "." topic, I don't think I should give you the link.

Your obvious intention was to inflict some sort of discomfort on my life, I can assure you this has not occured. It's amazing to think that you imagined such a 'carrot on a stick' would have any effect on me. If you told me you had every image I ever wanted in zip files attached in an email to me and all I had to do was say 'Im sorry' all you'd hear would be STFU.

Thanks For Nothing,
The One
"I'm sorry" is all you have to say. I don't even care if it has bad grammar like "ima srry". You're only hurting yourself.

First I don't have to say anything. I chose to respond for my own entertainment only.
Secondly, I'm not sorry.
Lastly, How do your purpose I'm hurting myself ?

Did I not already make it clear there is nothing you can dangle in front of me to erode my will ? Yet you continue to attempt with '..all you have to say'. LOL Sit bo bo sit...good dog. Find another John for these types of games. SOOO let me clear this up so YOU can see whats occuring here. You want me you appoligize for something I'm not sorry for so I can get some images from you which are being held as the ransom against me so I'll DEFILE MY WILL TO FOLLOW YOURS ?? Yea...right.
