Quote:What are you talking about? Your views are so skewed by conservative propaganda like FOX news it's not even funny. And when have I ever vouched for communism? That's all for this thread from me: I'll be in the politics forum.

There you go again. FOX news is conservative propoganda. You just can't handel the fact that people are getting a fair view of everything now.

When have you ever vouched for communism? When you joined the liberal left-wing God and America haters.
