about old stuff that reminded me a pictures i saw earlier on your web site.

http://www.cannis.net/yuri/cgi-bin/schlabo/potd.pl?day=7&month=11&year=2003

look at the board all the game code where there:
God mode
Kane mode
Nod Mode -> edit its not Nod its Nude LOL
super chicken
Tanya

dunno if there is more infoo that you have on these stuff but this sound pretty interesting. having more info on that would be cool
