Sniper, I have read some of your other posts and quite frankly. I'm appauled. You get angry at Alkaline (I am not worthy, Alkaline, I am not worthy), for no apparent reason other than your dumbass misguided self holding a grudge against him. First. Everyfuckingbody hates you. Everyone wants you off the forums. Everyone wants you to go fuck yourself you irritating, annoying prick. In one post you tell Alkaline to learn how to spell and learn better grammer. Well, Sniper, apparently you didn't read over your post either because when you say to learn how to spell and yatayatayata you don't even put a period at the end. You are a damn dumbwit and nobody likes you. You are probably just some power-hungry 500 pound guy that needs a couch to sit infront of his computer because his ass is so big. You are a fucking dumbass and are just around to wreck peoples threads. I bet lots of people have ignored you because they don't seem to be getting any reaction from your little power trips and tempertantrums and should I also add... hissy fits? You never know what you are talking about and you always have to deny what Alkaline says. Fuck off dude. Lay off of him, go get a god damn girlfriend! Jesus on a god damn stick! I have to say you are a moron... a completely immature moron. I bet plenty of people on this forum would LOVE to beat your kneecaps off with baseball bats, then slowly jab off your fingers. After that they can go and fucking rip out your teeth one by one slowly and painfully. Fuck off and go play infront of traffic you fucking piece of shit. If I could I would surely rip your jaw out... you have so much stupid stuff shoved up that wideload ass of yours. Get out of the forums and further more, GET YOURSELF OUT OF THE FRIGING GENE POOL! That dumbass car in your signature, that shitty car couldnt pull a sick whore off a piss pot. So fuck off you god damn crackbaby!
