You just read that in the newspaper? The entire reason that group exists is to wipe Israel off the map, and they only JUST figured that out?

Look, the guy was a terrorist. "wasn't really a nice guy" is a huge-ass understatement. I mean, shit, he didn't even respect the lives of his OWN people, much less the innocent civilians he was ordering blown up. The world is a better place now that he's a splotch of blood on the pavement.
