Quote:any temped presets where added to your game, rather then to the map specificially,

You dont mind rephrasing taht do you? It is kinda hard to read and comprehend...

On the other hand, why is it that even if I do take it out of the data folder, ren is still messed up? I dont mind reinstalling, but ya know..

edit- o wait, that where is a were...

any temped presets were added to your game...ok
