da\_shizso putting faith into something/someone is being a mindless sheep?

so if we all see a chair and believe that if we sit in it, it won't break...that makes us blind sheep?  
if we have religious beliefs, does that make us blind sheep?  
if we have respect for our president/leader, does that make us blind sheep?

Just because someone says something against a trusted source, it doesn't all of a sudden make the followers blind sheep.

What makes the source trusted in the first place? As the "self-appointed PR" of RG, Cramson sure seems very trustworthy :rolleyes: ...Anything else to base trust on?
