  Who give's a fuck!
You think talking about this hack help's ? If you really were anti cheat don't you think you would
hand this info to crimson or "renguard" in private. You people need to learn one thing: TRUST
now you might thing this word is small, but these's people are trying to stop these's cheats by
making an anti cheat system for the public to use and you need to bring it down. Moohack "come
on" ffs You cheater's need to get a life and stop this. If you have nothing good to bring to
renegade "get to fuck" come on people grow up. I've been in a team for awhile where we play for
the fun of it, not to be the best!. I won't even bother giving the name because i see people like to
try there hardest to take the good guy's out. Crimson i wish you and your team the best in fighten
these's people that are trying to bring Renegade down. And to all the kids that thing there doing
THE world any better by being kids and making renguard forums BETTER with there crap info on
cheat's.People should respect the system and private message the staff of renguard if you have a
real cheat thats worth "Making a point about"   Ps. Give the renguard team time to sort there
problems with there anti cheat program, as there's plenty of people using software that might no
like renguard.   Thx Davie...
