I got rid of Kazaa, & Kazaa Lite K++.

Cops are too stricted now, I got iPod ne ways But it cost 0.99\$ a song

Kazaa was good till it didn't work, you had to buy sometihg... and Kazaa Lite K++ Froze my Comp everytime I open something that I had to do...

So I got rid of the two.

But Otherwise I would download Techno/Trance Rock (KoRn, Rammstein, Slipknot) Trchno I like cuase it is good for stuff when it doesnt deal with killing. I would listen to Rock when I play Renegade cuase it's like Heavy Metal and your killing, GETS ME PUMPED
