htmlgodAprime, I never really understood how you could call other people "fairies" when you have pictures such as <http://n00bstories.com/image.view.php?id=1068489649> in your image gallery (<http://n00bstories.com/image.gallery.php?id=490>)

Those are always funny.

Now I moved them all in a private gallery, happy?

IRON-FARTI agree with Aprime. That guy is a Fairy. A stubborn Fairy of Nothing but Immaturity I might add.

I don't see him on the memberlist though...

However as long as he's not on the team, you guys will be alright.

GW.

You would have to check their forums to know.
