Subject: What version of Windows does your WRFDS use?
Posted by JPNOD on Sat, 17 Apr 2004 09:59:32 GMT

Im using the latest win xp pro+all updates for my Fds.
@SirRetro Win2k3 is like Xp but then the server edtition.
Like Windows 2000 Server Edition,For me i think its always the same only diffrence that win 2000
serv ore 2003 has Addon.More programs for serv ectra
