Everyone wishes to be a sniper, few actually are. Look at all the n00bies who run around doing nothing but bodyshots with there havoc, and get it just to get hte points for shooting tanks, then there are people like me that buy an 500 sniper, aim for head, does not shoot tanks or buildings at all, because i have the skill to get top 5 just by killing people.

I think that headshot should still be 1 shot 1 kill, but i body shots should be less powerful.
