Subject: Renegade Alert 600 Meter View Distance Upgrade
Posted by TnTANDY on Sat, 01 May 2004 13:30:47 GMT

Okay I got the view distance changed, but theres sort of a very weird error that has cropt up...
In my hex editor I did a find and replace,
and here is the result:

It find 8 results matching the same hex code.
Which out of the 8 should be changed?
