I am now renting out a 14 player renegade server. There is also 300 MB of FTP space for maps and mods.

Some highlights...
Blaze Regulator 1.5 or Brenbot with IRC output
Server scripts (infantry/sniper) (optional)
300 MB FTP and public web space
Public or private
WOL network only

Server specs
AMD athlon 1700+
640 MB DDR ram
GF2 MX 400
Win XP Pro SP1

PRICE DROP!
I am now asking $15/month with no setup fee. If u are interested or have any questions send me a PM or e-mail me at game_svr@hotmail.com
