Blazea58I just still personally dont see anything of how it leads up to Deadaim00 getting the sub test.. First off, i do know for sure, that the picture htlmgod has is fake, because for one Deadaim always uses Deadaim00 on wol..

 Im sure he really isent that stupid to actually show a screenshot, while hiding his name by just taking out the 0's, that would just be obviously stupid..

 Now from what i can see though, the logs show nothing leading up to the sub test, what he had against Htlmgod, is not any of our problems, and i can also see that htlmgod just wanted to push it further by unblocking him etc.

 Still the sub test has nothing to do with that huge page of logs that are shown..
And the person who "so called gave it to deadaim wont even be spoken of"

If someone on your team released it to him, what is there to hide then? Everyone knows someone gave it to him (supposefly) So who was it then?

Oh ya its that invisible person with no name oh yes, thats who gave it to him....

If you want to play games and stuff, im sure its not that hard to show htmlgod playing the sub test

OMGMOMGGOMGOGM!!!1!!11!!1!!1!!1!!1!!! Htmlgod has the leaked sub test now, who will be next.

Bleh, you forgot to change back the right font in Photoshop!

(I'm too bored to find this)
