I don't say that... read my posts again... :rolleyes:

I said : I do it for fun, I work on mod for pleasure !!! And I listen the comments of people. (look apc post...).

Don't lie about me man !!!

And when somebody tells you that you take that too seriously, it's not spamming...

And for the cookie, it was funny... But you are not here for fun, for you PC games and mods is a porfessional stuff...
