---

I was told by snipesimo on mirc that if i could get some 1 to right a script for my RenAlert server. I have renstat but i have no website and i was wondering if i could get a script for !rank. BRenBot has !rank not built in but i was t9old i could get it to get the persons server rank from mirc. is it true? can some 1 PLEASE help me with this and probily right it?
