Subject: I cant see my server
Posted by n00belit3 on Mon, 28 Jun 2004 06:56:48 GMT

i dl the server and installed it in my c:/westwood/renegadefds folder. I load up renegade and then load up the server (on same comp). The fds loads the map and all the settings fine. But when i go to the advanced game listing i cant see my server on the list. What am i doing wrong?
