And how big is that animated gif signature of yours?
1mb?

The official size is: 1195.58 KB (1224279 bytes) 1.1 MB.
56k downloads at around 6 kb/s.
 $1195 / 6 = 200$ sec download. = 3 minutes

Bandwidth n00bs at it again. :rolleyes:

What's it with these large stupid GIFs? I don't care if you think you have some "1337" connection and like to show of with large animated GIFs.

Want me to remove it for you? He uploaded it to my server, but i DID NOT know that he was going to use it for his signature. If I get 2 people to say they want me to delete it, I will.

I see that error all the time for IPB.

I'm sure theres a permanent fix for it.

Functions.php is not the problem. It's actually a mysql problem.
