Hello, yeah, I'm making a mod and I'm now hiring people. It's gonna be a WW-2 mod. For more information, PM me.

I've been around long enough to know that you're a worthless piece of shit incapable of finishing any project you begin.

Anywho I was talking about after Fist of Fate. Iv'e never had any little star wars nerdy friends to help me with my mods, ive always had to work on my own. You would'nt of even been able to last as long as I did by myself. You would'nt last one day in my life...
