..use the Register.exe in your Renegade folder, the one with the W icon on a blue circle.
Alternatively, use this (it's the same thing),

http://renchat2.westwood.com/cgi-bin/cgiclient?live_ren_register&request=expand_template&Template=newreg_menu.html&LANGCODE=0&SKU=3072

This way, you get a quick nick & don't have to go through the trouble of typing all sorts of other details in. Also, you won't get an activation e-mail but it doesn't matter. Your nickname will still work.
