Kudos goes out to HTMLGOD for posting this in #n00bstories. It's something that I'm sure even the Bush fanatics here will find amusing.

SEALRain? Not exactly the same thing...

What about acid rain?

Read the original picture. You're illegally propagating that picture, Mr. Don't-Post-My-Picture-or-Interpol-Will-Kill-You.

[By the way, I only came back to this topic because a friend of mine brought it up on IM.]
