m82 .50cal.
Bad ass rifle right there.

I swear, anyone who's watched the Thunderbirds at least once has to go watch that movie, heck,

go watch it even if you didn't.

Can you find a picture of her holding that gun from a different angle so you can see the buttstock? From that image it looks more like the AI AW-50 (with a different muzzle break) then the Barrett M82A1.
