I can't access the clan join page through Renegade. I was wondering if anyone has a way to join not going through Renegade. Like an outside URL. I would greatly appreciate it. Thanks in advance!

To join a clan, use the search page at:

http://renchat2.westwood.com/cgi-bin/cgiclient?ren_clan_manager&request=expand_template&Template=squad_search.html&PageLength=10&SKU=3072&LANGCODE=0&embedded=1

Search for the clan you want to join and the join form will be on there.

Thanks Crimson, but another question, what is the link to the clan leave page? I hate having so many questions, but I didn't know I was in a clan.
