KIRBY098 at exnyte.com Hello once again Campers!

A hiatus in story writing for the Dead six has allowed me to generate a segment for you today. I hope to be able to burn out a weeks worth of segments for your reading enjoyment.

If you have no idea what I'm talking about, check out Renevo.com for more.

There has since been 3 segments, bringing the total to 14 so it's really easy to catch up if you haven't started already.

Available at: <http://fury.exnyte.com>

Also, Spike has started a story at exnyte.com which isn't C&C related, but should also be a good read.

Spike at Project ex Forums Well its about 4 friends who've been involved in SpetzNaz attacks and are fighting to save the world, or town, wichever i feel like writing into it.

Available at: <http://patriot.exnyte.com>

Discussion for both stories is available at the Project ex Forums.

Tell him to post here again. Tell him it's from me, because I'm too bloody lazy to sign up to ask him myself.
