I was messing around with skins and I downloaded a cheese pack.. lol

Notice the cheese carrier or w/e.. Does anybody know how to get rid of that?

When I open up RenGuard it says I have no skins..

Here's the data folder..

<http://www.n00bstories.com/image.fetch.php?id=1233687015>

I was going to post in technical support but figured I'd get more help here..

Delete any .dds files that begin with hud_cnc

That should work out
