Remember, it's I've, not i ve.  
Remember, it's looking, not lookin.  
Remember, it's for, not the number 4.  
Remember, it's to, not the number 2.  
Remember, it's Renegade, not renegade.  
Remember, it's Renegade X: The Dead 6, not renegade x dead6.  
Remember, it's where, not were.  
Remember, it's you, not u.  
Remember, it's download, not d ownload.

Yes, that was funny. Pat yourself on the back for a great comeback.

Just ignore him like everbody else.

But back on topic; seriously check google when searching for things.
