anyone knows where i can download scripts for AoW Sniper and CTF server and extra command
for my brenbot server..?

Thx alot

dammit
there msut be more scripts

P.S:one time i joined a server with all bots it whas walls and a plane came and dropped all bots
down thats what i call awsome i need something like that to if its findable and ppl dont need to
download it to play also

http://www.renegadezone.com, search D for drop scripts or something, I know there's some stuff there

nightma, please resize that signature
