Not the right forum, but.
www.cncden.com
www.planetcnc.com/cncplanet.com cant remember which.
www.cnc-commando.com
www.fileplanet.com
www.ask.com
www.google.com
Look in all of those sites.

Depends. What server do you want to play on?
I know the map rotation for atleast four servers.

For that one, head over to Unrules.com, and download all their map packs. Then move all the map files over to your Renegade Data directory, and your off. Read one or two of the Readmes just in case, though.

The question is answered, why are you bumping this? Or do you want to look like an idiot?
