hi,
i don't know what you mean? Aircraftkiller?

Socke wrote on Sun, 25 September 2005 05:02hi,
i don't know what you mean? Aircraftkiller?

Yeah... You shouldn't be allowed here if you don't know who he is.

You have to create your own w3d and place it in your mod folder. You create w3ds through the gmax w3d exporter. Do a search on these forums for help threads. There are plenty around.
