Wow, how the fuk was he able to get that harvester up there  
What is funny about last picture? It just shows the master control terminal, nothing of intrest.  
Is it just my LCD scen laptop, or do the pictures 5 and 7 seem a bit too dark?

Heh, i remember those, that first one with the harvy was actually me.

was a wierd bug that when you would join some servers, the map was a bit lower for you then the rest of the people, i.e. the xyz coordinates where getting jacked.
