I'm just curious as to who is the most hated on the renegade forums, or to make it short, a contest to see who wracks up the most votes as the most hated here.

So, spill the beans.

I used to hate ACK before I even knew him...ask him, he'll tell you, he came to my irc once and said "why do you hate me?" and I was like....uh, I dunno, coz i was following the masses at Black-cell (who incidently all hate me now ) and then he was like "oh....ok" but ACK and I have alot in common as far as BC goes, so we found some common ground...

Actually it is more than one person on the same local ISP that plays Renegades...So, since you went thru all that trouble to prove it's the same person:

And frankly, I could care less if you believe me, or him.

HOWEVER: Since I started the retardation that led to all of this, go ahead and flame away. I won't put my flame \*retardant\* suit on. Really.

Now for a "serious" reply to this post.

I don't necessarily "hate" people, more like dislike. And that list is long, however I'll try to make it simple  
Nopic, kinghigh, nightma12, most AOL users, anyone who can't type "you" instead of "u",  
ESPECIALLY on a forum, morons who think they know what they're talking about when they really don't, Pak, Aprime, and uhh.....other people. And that's just from this community.
