Wtf is this? Is anybody having the same problem as me????

Im not sure if i posted in the right forum, if this is the cause, i apologize in advance.

EDIT: The hacked homepage has a different banner, if there is a normal banner, keep clicking refresh until you see the banner.

We'll look what we have here.

Some hardcore hackers have managed to insert their image

Oh. The "Dark Hacking Crew" strikes again

Wait a second. Dark Hacking Crew? Sounds like a goth

Let's take a closer look.

Oh no. This is serious shit! They're not a goth band, they
