[View Forum Message](#) <> [Reply to Message](#)

Anyone know this guy? I pissed him off really bad in n00bsvr01 and he went nuts. Originally talking like this:

[[03:36:am]] <@n00bsvr01> Silverlce7: too bad he can't get laid

To being a complete-pretend-I'm-a-stalker-moron:

[[03:40:am]] <@n00bsvr01> Silverlce7: I know because I've seen you before

[[03:40:am]] <@n00bsvr01> Silverlce7: But you don't know me

[[03:40:am]] <@n00bsvr01> JupiterKS: lol

[[03:40:am]] <@n00bsvr01> JupiterKS: Seen me where?

[[03:40:am]] <@n00bsvr01> Silverlce7: Roger

[[03:40:am]] <@n00bsvr01> Silverlce7: name's Roger

[[03:40:am]] <@n00bsvr01> JupiterKS: That's not an answer to where you've seen me

[[03:41:am]] <@n00bsvr01> JupiterKS: Well that's nice, I don't know anyone named Roger.

[[03:41:am]] <@n00bsvr01> Silverlce7: that's all the info you get faggot

[[03:41:am]] <@n00bsvr01> JupiterKS: Uh huh.

To being just insane:

[[03:46:am]] <@n00bsvr01> Silverlce7: and like I said, a clear-cut warning

[[03:51:am]] <@n00bsvr01> Silverlce7: If you make threats, so will I friend

[[03:53:am]] <@n00bsvr01> Silverlce7: Because watching you for the past few weeks I've come to realize you're a total jackass

[[03:53:am]] <@n00bsvr01> JupiterKS: lol

[[03:53:am]] <@n00bsvr01> JupiterKS: okay

He paged me with "I'd watch my back if I were you" before leaving the game. He refused to answer any questions about where I lived, which tells me he's full of shit... Refuses to explain what city, what my girlfriend's name is (after saying he'll make her cheat on me with him somehow, I'd love to see that actually happen considering it's impossible with our current situation) or what my name is.

I did a forum search on his name, it turns up one item from 2002 about how he beaconed his own base with that "beacon and leave" exploit.

Anyone know this guy? I don't care about my safety too much, but I don't take threats to her well-being very kindly.

Effing stop the presses, man! This is news to me! I had absolutely no idea that Aircraftkiller was a jackass! Whoa! Holy shit...we should make a forum topic -- no! A Wiki entry and...

...yeah, you get the picture.

I'll shut up now, as I have nothing reasonably intelligent to contribute to this conversation. I'm entitled to the rare stupid post from time to time.

Stop using italics on useless words. It's damn annoying.

...But I s'pose you're right. I could give the underline function a little more looooooove.

Seriously. You could always...I dunno... Put me on ignore? Dipshit.

I saw him on n00bstories tonight, got kicked a couple times for beacon spamming his own base within the first five minutes of the game. Anyway he got banned a little while later for some reason.

Or being retarded little spammers in a thread that can potentially be a very serious issue.

Subject: Re: Silverlce7?

[View Forum Message](#) <> [Reply to Message](#)

Oh please. Anything could "potentially" turn into a serious issue. My question is, what's so important about one little twit on Renegade? If he is stalking you, keep an eye out for any familiar faces, then file a report to the local authorities -- or if it's someone you don't know personally, ignore it. What's he gonna go? Bust in and anally rape you at gunpoint? If he's not stalking you, shrug and laugh. In fact, do that either way. You seem good at doing that.

After all... The internet is serious business.

Well, I mean, really... What's the absolute worst that could happen? ACK dies. More than likely, his little stalker pal would die, too. He'd either get caught, or he'd kill himself.

... *rubs his arm* I'm sorry. That's...that's just cold. I'll stop posting in this topic... I'm sorry, Aircraftkiller. This probably isn't reassuring you much.

You people are fucked up. The only time I've ever seen disregard for human life in this manner is when I saw Islamic protesters with signs that said "behead those who insult Islam."

The best way to combat a little fucker like that is to pay him back. Chances are it is some kid thinking he is tough shit.

Some kid did the same thing in my CSS server. I traced his IP, contacted his ISP, they would only give me an email address for themselves for abuse. I sent them an email, and they forwarded it to the address on record. Let's just say his parent's were none to happy about that one.

Hmm well I doubt its anything serious, prolly some ass that has a grudge agaisnt you. Its one thing to not like someone, but its just wrong to threaten somebody like that.

cheekay. Lie down. Stay down. Seriously. S'what I did because I knew I said something vastly out of line with that one comment, which I still apologize for.

But in any case, I've given my opinions on the matter -- my valid opinions, I mean... I dunno who Sarah is, but if she's a friend of yours...and this Silverlce7 actually sounds like someone you may have made contact with...do something. To reiterate, get some home security. File a police report. Just...do something. The Hell if I know what can be done without legitimate proof(other than some Internet twerp's asinine ramblings), but I'm sure something can be done.
