A good clan please...

And if anybody could find me a list of Renegade clans, that would be nice.

You should describe what kind of clan you want, really, because on that league you'll find only one 'kind' of clans.

http://www.renegadewiki.com/index.php?title=Renegade_clans -> check here maybe? It's not complete though.

Well, yea I am kind of skilled, I usually lead base attacks and I am awesome at defending the base.

Mrwiggles hasn't been involved in clanwars for months now.

Clanwars isn't full of dickheads at all anymore... Maybe their forums are, but the clans who still play (for example H2O led by me, Taiwan led by Spooky) are still very respectable, fair, and highly skilled clans.

You don't have to get involved in the clanwars forum flaming to be involved in the Renegade Clanwar League.
