Hi there,

I was just wondering if anyone knew if there was any Destroyed Renegade buildings files about that i could possibly obtain.

Its for something i am working on and i have been told there have been a few maps with destroyed buildings in them.

Please could you get back to me asap.

Geno.

Mero those are just pictures, not files. The destoyable buildings by Neosabre were used in the map C&C_Seaside_canyon.mix as for the models themselves go to http://www.cnc-source.com/files/pafiledb.php?action=category &id=36 That should answer your question.
