That's it. Nominate someone to join warranto as a global moderator of all of the official Renegade Forums. Help fight the forces of n00bism!

Don't nominate yourself. Seriously. If you're truly good material for this position, someone else will have seen it. You may nominate more than one person.

If AircraftKiller ever wanted to be a moderator on this forum, he would have become one just like that, He has the Power do do almost anything he wants in this community, He's friends with the highest of the people like Crimson, Olaf.

He wouldn't care to shit to be a moderator here, To him were abunch of kids arguing. For us Attempting to bash ACK to ACK is like abunch of 6 year olds coming up to us and saying "You a poopoo head"

Whoever it is probably shouldn't have the kind of ideas that locking an inoffensive thread before it's resolved is a good idea, mainly in regard to my question about RenegadeCommunity.com and the clan ladder.

Well, I guess you could argue that the issue was resolved in the sense that I pointed out that Renegade had no official clan support, asked some questions and was proved correct by the fact nobody could answer any of them.

If Goztow of all people were to gain a moderating position, I'd be leaving in protest. That guy doesn't deserve any more power over the community than anybody else, he's useless.

I'd rather read a post by Icedog/RenX/Hydra/Jake etc. anyday.

Here's the the first predictable moron to type "LOLZ HURY UP N GIV HIM MUDRATOR POZISHON SO HE LEEVS!!!"
