(facing the camera) My brother on the left (aka Kozar), then me, then Blazer -- at a friends' wedding. You can also see the back of my younger sister's head. She's the one sitting down with a brown top and dark brown hair with her hand in the air. My brother was probably hitting on that waitress.

Well, the "what the hell?" threw me off. It made it seem like you thought I was converting to emo. I seriously have no intention to look like that, and I don't think I look like that in that picture anyways. It was from a video clip (hence the bad quality) and it was caught at maybe 1/1000th of a second. So, if you're wondering if I look like that all the time, I don't. We aren't seeing pictures from our eyes that are being captured at such a minor fraction of a second.

if you really want to see what "emo" looks like, view here at your own risk.

I know that's not what you normally look like, that's just an observation I had. I didn't think you were becoming an emo.

Also, that picture isn't that emo. Looks more punk-emo than anything. I've seen much much much worse.

I failed the Popularity Contest (aka: OML). The students got to vote who got to go next year. They voted out the cadets who could march and pass inspection so their paint ball buddies could come. I hear the battalions not doing so hot this year.

I left high school, despite protests by the staff (high test scores in a school that needed it), and I'm in college now. ROTC was the only reason I was staying in public school, anyhow.

I was a 1st Sergeant up until my withdrawal. Heh. The day my Colonel started advertising his desire to become Sheriff in my neighborhood was the day they kicked me out. No matter. When I'm out of college, I'll be making more money than a retired Master Sergeant, and better yet, not half to listen to a word they say.

"Drop yourself, fag."

PS: Doitle, you look WAY different than I thought you would. So does Crimson. And Blazer. Kozar didn't surprise me, though.

Well the group pic is some old renegade (GSA) players at a Renegade Party at Sickops house when he lived in Georgia. Taken is 2004 btw.

from left to right:

SickOp, Smooth, Bullfrog, Esaya, Sealycamps wife, sui, Pheonix, Sealycamp, 1ijac, Road, me, QuicksilverDragon, Ramrod_AI AUG, Dogg, Donuts_RTE AUG, Natalie AUG, and Birdman AUG.

There were more but these were the only ones that would get in the picture.

to all...

I talked to ferkhat on the last night and he was very sad about everyone not forgiving him...(u could hear it in his voice, i know him very well)

he said he wants a fresh start with everyone, he will not spam anymore... (how honest he was i could not tell, i know he is like a bomb waiting to go off.)... i know mero hates him but please forgive him...

i am not really defending him but rather trying to make peace...

i mean come on he is 12 and the whole ren universe hates him WTF?

how would you like to be in his position?

i would hate it..

feeling like everyone was ganging up on you...

he can explode sometimes but i have seen everyone do the same..

in fact that is the way we are... all of us

no one is perfect...

i can explode too

me being his friend has had an impact on his life...

example: about a month ago we had a video call on msn and he was to shy to use the mic..,

yesterday he got over that...

all i request is no more hurt feelings

i hope this will impact some..

i also hope he will get unbanned from ren servers...

if he has offended you in anyway after this post is because he has not yet heard that i am trying to make peace

thanks

That's not even a word. That's an acronym. Infact, that acronym is four words.

I've read 9/10 pages of this thread.

FUCK HORQWER GO DIE YOU'RE GIVING RUSSIANS A BAD NAME!!!

One of my best friends is Russki. However, he was born here, and he wasn't "kicked out of

Russia" like WhoreQueer.

Also, camera brokeded, so no pic of me for now.

EDIT: I agree that Sadukar is being a bit of a loser right now, but Recon's still a mistake of evolution. See signature for more details.

LOL LOOK AT THIS:

HORQWER @ Nov 30 2007, 12:24 PM(john22395 @ Nov 28 2007, 08:53 PM)

I really want to improve the server, make the playing environment more fun. To allow people to enjoy their stay and think positive about their time on the server. Its fun to get to know people. I wish to also reduce the rule breaking and racism that occurs. By doing this it hopefully could make people enjoy the game.

Sponsors: Didnt ask anyone

Thank you for consideration.

Never.

This Server would not be fun for me because of the Fuckin' moderators they fukin kic me all the time, and people are hacking each others logins and aaccounts and the fukin MrDie777 which is a bitch would not shut up and he always sucks his mamas balls when he joins the game, he is the rude guy when ever i accidently do a spawn kill he bans me accident spawn kill = ban ? that is not fun at all fuckers. Cheesesoda but ur cheese in ur ass and the soda too and dont forger to suck ur mamas dick and lick ur dads ass hole.

This server could be fun with out moderators and only admin and admin should be online 24/7

That is when all the people will join and play, have fun and all, all the time when i join and play like

15 min i already saw that moderators kicked like 15 - 20 people
No FUN ATTT ALLLLL

(Dreganius @ Nov 30 2007, 12:30 PM) HORQWER it's not up to you whether the mods are voted in or not.

Also, you just ruined your last chance.

(HORQWER @ Nov 30 2007, 12:30 PM)Dreganius is a well trained moderator. ALI other moderators like tto make fun of people and ban them and i hate that shit Ban all of the moderators accept Dreganius
