I guess I fit in with the "nerds"

PS3 FTW!

None of those systems are worth their price tag.

One of the most rewarding blunders Nintendo could have done.

"Wii are the champions, my friend..."

"This little piggy went Wii, Wii, Wii, all the way home."

What's the name of a n00b with the latest generation Nintendo console?  
A Wii-tard.

"I have to Wii-Wii"

"The Bathroom is over there"

And so on and so forth.
