All praise the great arrow! Lets all pray that it returns, so we can give it proper tribute! Long live the arrow!

The arrow only shows up when the powers that be know something you don't. Then you guys make a post and try to figure out what the hell is going on and go nuts guessing. Tradition.

It's kind of an inside joke between all of us who were a part of these forums when Westwood ran them.

If memory serves, AndrewCow was a player on The Pits, and quite a good one. He was also a skilled sniper; I remember him constantly wasting me on Crimson's sniping server

Agreed. Trey was one of the godfathers of Renegade, and is sorely missed.
