hello there   could i tell me how i can play online if there are not servers in my list....?

   i want to play online and i've never seen a server in my list... what do i need to do to have a list of servers to play?

Do you have an objects.ddb file in your renegade data folder?

Nop i dont have that file in my data directory (C:\Renegade Paintball\Data)...

   if i need it, where can i download it ?

i attached a pic of my data directory

This is not a forum for the game Renegade Paintball. This forum is dedicated to the game Command & Conquer Renegade by Westwood Studios (which no longer exists).

Not true, you can download iso's of this game multiple ways and it DOES come shipped with TFD so it does exist.

I said Westwood Studios does not exist, not Renegade.
