i have quit a few questions but ill ask one at a time

first one

whats the commands lines to give a player 800 hp and armor...

sigh

You'll never be a coder if you can't ever figure things out for yourself...

Experiment!

If you thought it was that but weren't sure, create a bit of code that uses it to see if you are right.

It saves you spamming up the mod forums every 10 mins with your questions...

RoShamBo wrote on Tue, 17 July 2007 08:04Joe, remember what i said?
yes i did

and i would have tried that and tested it but some reason i could not log into wol but this forum i am going to ask some more questions
