If im right all you need to do is set all the charectors you want for snipers server to have -1 ammo and -1 all together like this

ok heres a ss you only do this in all the weaps you use for the server

Moutation/Weapons/infanarry Weapons

after youve done that in le croos it of anfd say yes to save modified changes and then copy and pase objects.ddb into your fds data folder

if you rus ssaow rename objects.ddb to objects.aow

if you run ssmg rename objects.ddb to objects.gm

thats the way i would do it but idk if you or anyone ealse dose

if you want them to only beable to get in tunnels you have to edit each map 1 by 1

i can only edit and set weapons to that whats i said

ok i have finished islands it took ages as somet went wrong alot but now it didnt and it works perfect as i tried it on my server

also i dont know how to give it to you from this as its 17MB thats 16MB too big to upload to this

sorry for all posts but like i said it dosent ave a edit button for some reason

it use to have edit mbutton but its dissapeard for some reason

anyway heres C&C_Islands.mix in a zip the tunel only one

afer you click this link download it open it and drag and drop C&C_Islands.mix into your renegadeFDS data folder

and it works cos it has been tested

http://www.cpjok.zoomshare.com/files/C_C_Islands_Only_Alloud_In_Tunnel_Not_Out_O f_It.zip

I Will Do Other Map Later Or Tomorrow As Im Haveing Ago Of Renegade So I Havent Got Time Yet
