First of all i want to say hi to everyone

ok in the campaign recruit mission on the mission where you are inprisoned i can't find the 2 things i have to distroy or the scientist, once i get into the research facility i can't find any passage leding anywhere i been every where in there several times! is there a secret passage some where or do i have to go out side and another way?

plzzzzzzzz help its driving me crazy..... anyway i gonna go look around outside much thxs

Shoot the enemies, and try to not get hurt in the process.

Oh and bring your camera with you, because I heard that Super Woman was hot.
